## EasyJet cutting flights over new quarantine rules

EASYJET is cutting flights following the Government's decision to impose quarantine restrictions for seven Greek islands.

The UK's largest airline said it will reduce its schedule as "customer confidence to make travel plans has been negatively affected".

This means it will have flown "slightly less" than the 40% of pre-coronavirus pandemic capacity it previously said it would operate between July and September. From 4am today travellers arriving in England from Lesbos, Tinos, Serifos, Mykonos, Crete, Santorini or Zakynthos (also known as Zante) must self-isolate for 14 days.

EasyJet chief executive Johan Lundgren said: "We know our customers are as frustrated as we are with the unpredictable travel and quarantine restrictions."

## Teen shooting: cops seize gun

POLICE investigating the shooting of a 15-year-old boy on his way to school have recovered a "long-barrelled gun".

The victim remains in a critical condition at Addenbrooke's Hospital in Cambridge after he was shot on an upmarket housing estate in Kesgrave, Suffolk, at around 8.40am on Monday.

Suffolk Police said that just over two hours later, at 10.55am, armed officers arrested a boy five miles away in Ipswich on suspicion of attempted murder.

The suspect, a 15-year-old boy from the Woodbridge area, remains in custody.

## 2020 – THE YEAR THAT JUST KEEPS ON BEING WEIRD...

# EARTHQUAKE HITS LEIGHTON BUZZARD!

AN earthquake was felt in parts of southern England yesterday morning, with witnesses describing houses shaking as if there had been "an explosion".

Initial data on the British Geological Survey (BGS) site suggested the quake hit the region of Leighton Buzzard in Bedfordshire at around 8.45am and was magnitude 3.3 at a depth of 10km.

Local police said they were taking a "large" number of calls from concerned members of the public.

Witnesses said they felt "strong" shaking during the tremor.

Usha Chapman, from Luton, said: "I was on a video call with my mum when I felt a sideways push. The door rattled and the TV fixed to the wall also rattled. 'It lasted for five seconds.'"

Bedfordshire Police tweeted: "Our control room are currently experiencing a large number of calls due to an earthquake which was felt across the county. We have currently received no reports of any injuries or major structural damage."

One person in Aylesbury wrote online that their house shook "as if it was hit by a vehicle".

Another person, from Dacorum in Hertfordshire, said: "Short, quick, quiet boom like an explosion."

## Worry over sharp rise in virus cases

THE UK is entering a "period of particular concern" as the number of coronavirus cases rise across the country, the housing secretary says.

Robert Jenrick (above) urged "we all have to be very cautious" after 2,948 new UK cases were recorded on Monday.

The government's scientific advisers have given stark warnings over the increase in COVID-19 cases.

Among those, England's deputy chief medical officer, Prof Jonathan Van Tam, said the rise was of "great concern".

Ministers have singled out young people in particular for not following social distancing rules.

But one expert cited the government's "confused messaging" and said it was unfair to blame the young.

The seven-day rate of new cases of COVID-19 in the UK has now risen above 20 cases per 100,000 people.

On Sunday 2,988 new cases were announced – the highest figure since 22 May.

## COVID deaths slowing down

REGISTERED deaths involving COVID-19 in England and Wales have fallen to their lowest level since mid-March, new figures show.

Some 101 deaths were registered in the week to August 28, according to the Office for National Statistics.

This is down from 138 deaths in the previous week and is also the lowest number since the week ending March 13, when five deaths were registered.

Just over 57,400 deaths involving coronavirus have now been registered in the UK.

Figures show that 52,316 deaths involving COVID-19 had occurred in England and Wales up to August 28, with 4,228 deaths in Scotland and 873 deaths in Northern Ireland.

# LAW CHIEF QUILTS OVER BORIS BREXIT PLANS

'UNHAPPY': Jonathan Jones

CHANGES: Mr Johnson

**THE Government's legal department chief is believed to have quit over Boris Johnson's plans to alter arrangements for Northern Ireland in the Brexit agreement.**

Sir Jonathan Jones is said to be "very unhappy" about the controversial move to overwrite parts of the protocol signed with the EU last year and ratified.

The resignation will fuel criticism that the Prime Minister is attempting to renege on the agreement –

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

jeopardising peace in Northern Ireland and an EU trade deal. The Cabinet Office declined to comment.

A spokesman for the Attorney General's Office said: "I can confirm Sir Jonathan has resigned but cannot comment further."

He would be the sixth senior Whitehall civil servant to resign this year – following the exits of cabinet secretary Mark Sedwill and permanent secretaries at the Foreign Office, Home Office, Ministry

of Justice and Department for Education.

Downing Street has denied that new legislation – to override requirements for customs checks in the Irish Sea and limits on using state aid – amount to tearing up parts of the Brexit agreement.

It would only be used if talks with the EU failed, it says.

### Obligation

But the move does amount to a unilateral act to rework an international agreement, alarming the EU.

Ursula von der Leyen, the president of the European Commission, reminded the PM

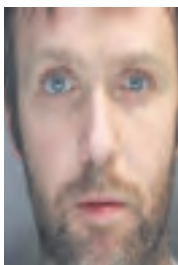

that the Northern Ireland protocol is "an obligation under international law".

At a think-tank event earlier this year, Sir Jonathan said it was the job of Government lawyers to point out if any action was "incompatible" with ministers' legal duty.

He was quoted as saying: "Fundamentally, international law is the law. It derives from obligations the Government has entered into through treaty or otherwise arise under international law."

"We treat that as the law and the government is subject to the rule of law and will comply with those obligations."

# JAILED FOR KILLING MUM WITH HAMMER

A SPORTS psychologist who bludgeoned his mother to death to fund his "sham lifestyle" has been jailed for life.

Robert Child, 37, inflicted a "merciless attack" on 64-year-old mum Janice, striking her 31 blows with a hammer as she cowered in the utility room of her home in Woolton, Liverpool, on March 5.

Minutes after leaving her body locked in the

house, he used her mobile phone to transfer £25,000 of her savings into his bank account and then caught a bus – where he was seen on CCTV "smiling and laughing" with the driver.

When police arrived at his home in Thingwall, Wirral, the following morning to inform Child of his mother's death, he was out buying a £14,500 Jaguar car, Liverpool

Crown Court heard.

Child (left), described by the sentencing judge as a "selfish narcissist", feigned shock and surprise to detectives and lied about his whereabouts.

He later admitted murdering his mother – who was said to have "idolised" her only child – but denied it was for financial gain and claimed she provoked him into a "sudden rage".

**HEIDI Klum flaunted her incredible figure as she posed topless to water her garden.**

But the gorgeous image shared on Instagram was IMMEDIATELY sullied by sex-mad trolls.

And one even had the temerity to suggest he would like to EJACULATE great wads of sticky, white SEMEN all over the German supermodel.

Heidi, 47, made sure all eyes were on her pert posterior in the tiny snake skin bikini briefs in the lovely, innocent picture.

But one troll, calling himself hrod17 and claiming to be from faraway Australia, leered on the website of the hate-filled Daily Mail: "Not to be vulgar but I wouldn't mind klumming all over her."

"Klumming" is, no doubt a clumsy pun on "cumming", a coarse word for ejaculation.

Other trolls made similar, if less explicit, comments. One wrote: "Heidi Klum takes it up the..." - leaving dirty-minded types to fill in the rhyme.

Another, calling himself "benny hill", salivated: "From behind, oh yeah!"

## POP BABE'S CRAZY TALK

POP star Selena Gomez says all her exes think she's **BONKERS!**

"It's hard [to find a man] in quarantine," the 28-year-old Texan recently told YouTube star Nikkieutorials - but added that it's "not an invitation" for anyone to ask her out.

Gomez (right) also revealed her current status with her past flames, claiming: "Every one of my exes thinks I'm crazy."

But she added: "I don't care."

## Comic Kath: I say we cancel 'cancel culture'

COMEDIAN Katherine Ryan has criticised "cancel culture," saying the practice of attempting to shun high-profile figures over perceived wrongs "doesn't offer progress".

Ryan (*above*) was involved in controversy at the NME Awards when rapper Slowthai was accused of acting inappropriately with the Canadian comic on stage.

He later apologised following a backlash on social media.

Ryan told the Radio Times: "I am definitely anti cancel culture and I think it can be very damaging and totally lacking of context and nuance."

"Cancel Harvey Weinstein - love it, great, not a moment too soon."

"But this holier-than-thou, very judgmental search for exposing or cancelling someone doesn't offer progress, there's no room for conversation or evolution there."

UP TO 2,000 pigs have died in a fire on a farm.

Firefighters called to the blaze in Kilkeel, County Down, worked to prevent the flames spreading from a shed housing the pigs to adjacent farm buildings.

Between 1,500 and 2,000 pigs are believed to have been killed.

One fire worker suffered minor burns to his feet.

The fire, believed to be accidental, was brought under control.

**SHOCKED This Morning viewers were treated to some live telly COCK - and it wasn't Phillip Schofield!**

They did a double take on Monday's show after a nudist accidentally flashed his bare wanger live on air.

But roving reporter Josie Gibson, 35, DID preserve her modesty as she stripped at an outdoor beach club in Liverpool.

Josie was not quite so shy when she appeared TOPLESS in *Big Brother 11* back in 2010, before going on to win the show.

During her *This Morning* segment, one fellow accidentally flashed his knob as he stood behind a car door, with Phillip (*above*) - who recently outed himself as gay - gasping: "That was close, that was close."

Stunned viewers took to Twitter. One wrote: "That was a penis!!!" while another added: "I just saw a penis."

Josie slipped in plenty of innuendos as she interviewed Alan, who was protecting his modesty behind a fence.

## CON BATTERED SCREW IN FLIP-FLOP ROW

AN inmate who punched a prison officer in the face after he was challenged for leaving his cell in a dressing gown and flip-flops has had his jail term extended by two years.

Jamie Richards, 29, had planned to collect medication when a warder at HMP Whitemoor in Cambridgeshire saw what he was wearing and stopped him.

Richards told the prison officer he would "knock him out" and later that day he punched the officer in the face as he spoke to another prisoner.

The prison officer hit his head as he fell and suffered a fractured cheekbone, resulting in an extended period off work. Richards pleaded guilty at Cambridge

Crown Court to assault occasioning grievous bodily harm (GBH) without intent and was sentenced to a further two years in prison.

Richards is currently serving an 11-year prison sentence for an attempted robbery in Swansea in 2016 and further offending while behind bars. He had

an early release date listed of 2022.

When interviewed, Richards admitted the assault but claimed he did not intend to cause that level of injury to the prison officer.

He said he had been "very annoyed" at not being allowed to collect his medication and claimed that the same prison officer had let others wear similar attire without challenging them.

Richards claimed others in the prison were treated favourably by staff and said he had "had enough".

Detective Constable Shelly Reeve said: "Prison staff work hard to ensure the safety of inmates and should be able to do so without fear of being attacked."

## Going digital a losing move for BBC Three

BBC Three's audience has "collapsed" since the channel went digital-only, a report has said.

New director-general Tim Davie is currently considering bringing BBC Three back to TV screens as a linear channel, following the success of a string of hit shows.

Aimed at 16 to 34-year-olds, BBC Three has had a series of hits, such as *Normal Heart*, *Killing Eve*, starring Jodie Comer (above) and *Fleabag*.

It closed its broadcast channel in 2016, amid changing viewing habits and cost pressures.

Research service Enders Analysis compared viewing figures for the year before it went digital only, with the year to November 2019.

It said viewing of BBC Three content is down 72 per cent.

The channel's controller, Fiona Campbell, has said that resurrecting BBC Three as a linear channel will be on Davie's "list of early decisions".

## Cop denies hotel sex assault while he was on duty

A SERVING Metropolitan Police officer has denied sexually assaulting a woman at a hotel while on duty.

PC Rudvelle Walters appeared at London's Southwark Crown Court in connection with the alleged incident on February 5 last year.

PC Walters, 47, of Luton, Beds, pleaded not guilty to sexually assault on a female and also denied a second charge of attempted sexual assault on another female.

The charges relate to an incident that allegedly took place at a hotel in High Road, Wembley, north west London, when the officer was on duty.

PC Walters is currently on restricted duties, Scotland Yard has said.

He was unconditionally bailed to next appear at the same court for trial on June 21 next year.

GLAMOUR model Chloe Ayling leaves little to the imagination as she poses completely nude in her latest Instagram post, which highlights her glorious big arse!

The former *Celebrity Big Brother* star didn't shy away from showing skin as she posed for the photo in her bathroom.

Holding on to her towel rack, she let her wet blonde hair fall down her back to display plenty of her side-boob and her rear in all its fullness.

Chloe opted to forgo a caption and let the picture do all the talking as her fans praised her in the comments section.

**A MUM who caught her son balls-deep in her beloved POODLE shrieked at the lad: "What the hell are you doing to the dog?"**

To be fair, it was pretty obvious what James Mason Small was doing to the startled animal. Neighbours reported a "loud disturbance" as Small's mother set about the perverted 21-year-old.

And the shamed fella failed to prevent his mother from calling cops who arrived on the scene in Trinity, North Carolina.

### Cruelty

In a press release the Randolph County Sheriff's Office stated: "The Sheriff's Office received a report of animal cruelty in the Oak Knoll Lane area of Trinity."

"After an initial investigation, James Mason Small, 21, was arrested. He's being charged with felony crime against nature and felony cruelty to animals."

Small was given bail and placed under electronic house arrest.

A police source said: "No mother wants to find her son having sex with a dog, especially with all that's going on in the world at the moment."

"I'm told that when she caught him she asked him, 'What are you doing to the dog?'"

"It seems the boy had his trousers around his ankles and he was giving that poor hound a real pounding."

"I'm not sure what gets into the heads of young people these days."

## 'Get our arts back in gear' MPs are told

THE arts are at the "point of no return" following damage from the pandemic, Andrew Lloyd Webber has said.

The composer and theatre impresario told MPs that it would be economically impossible to run theatres with social distancing.

He spent £100,000 on a pilot project, trialling measures at the London Palladium, in the hope that it could allow the theatre business to get up and running. He had hoped to show that theatres can open at full capacity safely.

Lord Lloyd-Webber (above), 72, told the Digital, Culture, Media and Sport Committee: "We simply have to get our arts sector back open and running. We are at the point of no return really."

"There comes a point now when we really can't go on much more."

"Theatre is an incredibly labour intensive business."

"Very few shows hit the jackpot in the way a *Hamilton*, *Lion King* or *Phantom Of The Opera* did."

Thomas Allen kicked a door in as he waved the weapon as he accused the person of shagging his mother.

He was later brought to the ground by armed police and arrested.

Allen, 26, of Warndon, Worcester, admitted possession of the large knife when he appeared over videolink at the city's Crown Court.

John Brotherton, prosecuting, said the incident happened at 9pm on July 27.

Allen was described as "clearly agitated" when he kicked a door and drew a machete, "shouting threats against people in the house" and suggesting that one person had "slept with his mother".

Mr Brotherton said: "He was shouting he was going to cut people's heads off and cut people up."

The defendant was arrested by firearms officers and shouted: "I'm not going to lie to you, I'm willing to kill!"

Defending Allen, Niall Skinner said: "Someone

had stolen his medication and that made him angry. He wanted his medication back.

"He accepts he went there and had the knife with him. He should not have done."

Mr Skinner said his client, who has been in custody, wanted to be released from prison so he could continue to make "the strides" he had been making.

He added: "He wants to try and get his life back on track."

When the defendant listed the medication he was taking the judge, Recorder David Mason QC, described it as a "proper medical chest".

Allen said he was not sure who had stolen his meds and added: "It just went wrong that night."

Recorder Mason said he was minded to impose just a two-month prison term as the probation service appeared to be working with him to sort his life out.

## Snowflakes' fury at prof for N-word that wasn't

A PROFESSOR has been placed on leave after whingeing snowflake students accused him of harming their mental health – for using a Chinese expression that sounds similar to the N-word.

Prof Greg Patton was giving a virtual Zoom class to his students discussing how different cultures use filler words instead of “ums and errs” to take pauses while talking.

He noted how in China people tend to say “nei ge,” the word for “that,” which he pronounced as “Neh-ga,” video of the class shows.

The lecture sparked a huge backlash from students, some of whom accused him of deliberately making it to sound like the

N-word.

This led to an apology from the university and Patton's canning.

A coalition of students moaned, saying that Patton “offended all of the Black members of our class.”

“Our mental health has been affected. We would rather not take his course than endure the emotional exhaustion of carrying on with an instructor that disregards cultural diversity.”

The Dean of the University of Southern California apologised while Patton insisted there was no “ill intent.”

**C**URVY Claudia Dean says having a shag is the best hangover cure.

And she should know – she joined the Mile High Club to rid herself of a boozy headache!

The 32DD lovely, from Twickenham in south west London, was flying back from a holiday in Ibiza when she and a male pal decided to get down and dirty.

Claudia, 25, said: "We'd been to Ibiza to party. Needless to say, on the plane home we were feeling a bit fragile.

"I was sat next to a male pal who's one of my f\*\*k buddies. I glanced around and there was nobody looking, so I undid his flies and whipped out his huge cock.

"I brought him close to orgasm four times and slipped his willy back into his pants before leading him off to the loo.

"He thrust straight in and I had a really huge orgasm within a couple of minutes – and another one as I felt his load shoot into me.

"Afterwards, I felt in a much brighter mood.

"It's a great cure for a hangover!"

# SLY CHINESE STOCKPILE MONKEYS!

**Commies thwart attempts to find a COVID vaccine**

**NO MONKEY BUSINESS:**  
Xi won't let any leave

**COVID started in China thanks to vile bat-eating antics and now its government is hampering attempts to find a vaccine – by stockpiling MONKEYS!**

The iron fist rulers of the world's most-populous nation have BANNED exports of monkeys, vital for researchers in the West to find a cure for coronavirus.

A shortage of monkeys will delay efforts to develop an effective vaccine, American researchers have warned.

## Experiments

Tests on rhesus macaque monkeys are typically the last hurdle before human trials can begin.

But as scientists race to advance possible vaccines and therapies, US research centres say there are not enough monkeys to undergo trials.

"There is basically a big shortage,"

By **BRAD CHADWICK**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

said Koen Van Rompay, of the California National Primate Research Centre.

"We can't find rhesus any longer. They've completely disappeared."

And the reason for that is not hard to find.

After the pandemic began, China's leader Xi Jinping halted monkey exports – keeping all the brave little monkeys for their own experiments.

Potential shortages of monkeys had been a cause for concern years before the coronavirus pandemic.

In 2018 the National Institutes of Health (NIH) conducted an "analysis of future demand and supply", which found shortages at several research centres.

Monkeys' immune systems are so similar to humans' that researchers can administer the same vaccine test.

## Drunk hits head in harbour dunk

A DRUNKEN sailor suffered a head injury after falling into the water at a harbour after a session on the sauce.

After plunging into the drink he managed to clamber onto a moored vessel.

The coastguard attended to the pissed-up seaman after receiving a report from their HQ of someone falling into at Brixham Harbour in Devon.

A spokesperson for the coastguard said: "The male, who had been drinking, had sustained a head injury was brought ashore by RNLI Torbay to be checked by medics an ambulance had been called.

"However, he refused treatment and was later returned to his vessel."

## DROWNING MAN SAVED BY PRIESTS

A DRUG counselor and recovering addict kayaking in a lake had his prayers answered when he capsized in deep choppy water and was saved by a gaggle of PRIESTS partying on a boat.

Jimmy MacDonald (*below*) got separated from his wife and stepkids while on the water after taking pictures on his mobile phone.

As he tried to make his way back, he hit choppy water and capsized. Wearing an ill-fitting life jacket, he tried to right his kayak and keep his £1,000 phone dry.

He later told newsmen: "I prayed to the lord Jesus Christ for help."

Nearby, the captain of a tour boat nearby heard his cries, sped over Lake George, near Albany, New York, and saved him.

MacDonald was pulled out of the water by the captain and his passengers – a priest and a Catholic retreat on the lake.

## Trans woman 'killed her ex's Staffie'

A WOMAN who allegedly tortured and slashed the throat of her ex-lover's dog was suffering "significant issues" related to gender re-assignment treatment, a court has heard.

Olivia Sindel (above), 24, has been charged with torturing, beating and causing the animal's death in the alleged attack.

The 13-year-old English Staffordshire Bull Terrier called Rocky died despite being rushed to a vet and the attempts of his owner, 44, to save him – while Sindel was arrested later that day.

In court, magistrates heard that Sindel had been slamming her head and needed to be sedated by paramedics when tracked her down.

Her lawyer told them: "There are significant issues because of the gender re-assignment treatment."

Sindel is being held for psychiatric tests in Sydney, Australia.

## Fly blows up OAP's house

AN elderly man blew up part of his house – while chasing a fly.

The 82-year-old was sitting down to dinner when the bug started to annoy him.

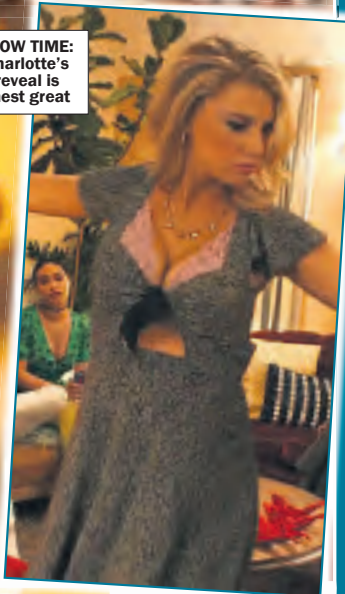

He began swatting at it with an electric racket designed to kill insects – not realising that a gas canister had a leak.

The racket sparked a gas explosion, destroying the kitchen and part of the roof of his house in Dordogne, France.

**It sounds too up-its-own-arse for words, quite frankly.**

In *The Argument*, Jack (Dan Fogler) and Lisa (Emma Bell) squabble at a house party – which ends proceedings.

Rather than letting it go, they both "wish we could redo this whole night so that you could see how wrong you are!"

So they re-create the conditions of their dispute, repeating the night ad nauseam.

And they even bring in actors who "perform" the night in question.

But the high point comes courtesy of sexy Charlotte McKinney.

The actress plays an actress playing Lisa (keep up at the back) and at one point whips out her fine teats to make a dramatic point.

One film buff said: "Plodding movie but cracking busters."

# YOU MUST BE KIDDING!

A RAMPAGING goat hopped into a cop car before gnawing paperwork, toppling a drink, chewing seats and finally head-butting the startled cop to the ground.

The unidentified officer was serving papers on a house at the time and left the door to her vehicle open, according to a Facebook post from her police station.

### Chased

Officials explained that she made a habit of keeping the door ajar because she's routinely chased away from homes by angry dogs and occasionally requires speedy access to her car.

While still at the front door of the

rural residence, the cop turned and saw a goat had hopped into her driver's seat.

She returned to the vehicle and repeatedly tried to nudge and coax the animal out as it dined on documents and car seats and knocked over a drink.

When the creature finally stepped out, the cop struggled to salvage some paperwork still dangling from its mouth.

The scene ended with the goat launching into the chuckling cop and knocking her over.

"[Although] she was knocked to the ground she was not physically harmed in the incident," police in Douglasville, Georgia, said.

"At the end of the day we all got a little laugh out of it and we hope you do as well!"

**DURING the months of high summer, there is NOTHING sexy about kinky PVC and leather outfits.**

With temperatures skyrocketing, such close-fitting garments are an impractical recipe for sweat and chafing.

But now that the year has turned towards autumn and the season of mists and mellow fruitfulness, more moderate temperatures make kinky garb a realistic prospect.

As well as being a very sexy look, shiny garb is never out of fashion.

Pop babe Dua Lipa was recently pictured in style bible *Elle* wearing a PVC number.

Unfortunately, we can't afford those pictures – but we CAN afford five squeaky pages of stunning babes in PVC and leather.

Oh, and most of them are showing their boobs, too!

# STARTS TODAY...OUR SHOCKING NO FAIRYTALE FOR ROMANTIC JANET

**WARNING:**  
Pearl's  
brother  
George  
said that  
Mellors  
would kill  
again

**SEARCHING  
FOR LOVE:**  
Janet with  
her sister  
Mary (left)

**JANET Scott and her older sister, Susan Thomson, were at a pub in Nottingham just before Easter 2017 when she met Simon Mellors.**

It would be a meeting that would change – and ultimately end – her life. Janet was separated from her husband, Chris Scott, at the time so she and Mellors started seeing each other.

But Mellors had a dark past. On May 6, 1999, he murdered his partner, 36-year-old Pearl Black, at her home in Bramcote, Nottinghamshire.

They had been together for 10 years and had a child together.

But when Pearl made the decision to end their relationship, Mellors couldn't accept it.

In a rage, he hit her over the head with an iron bar, then made sure that she was

By **KOURTNEY KENNEDY**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

dead by strangling her with bin liner cords.

Chillingly, he removed the handle of the door from the room where her body was to prevent their child finding her.

Mellors then went on the run but didn't get far and was arrested two days later.

## **Guilty**

He denied murder, and at his trial claimed diminished responsibility as he was depressed at the time.

But a jury rejected that and delivered a verdict of guilty.

Mellors was given a life sentence with a minimum of 14 years but had that reduced to just 12 years on appeal.

He was released on licence in 2014 after

the Parole Board deemed that it was safe to do so.

Pearl's brother and sister, George and Mary Black, had written to the Parole Board before his release, warning them that Mellors would kill again.

That warning went unheeded.

When Janet first met Mellors that night in 2017 she had no clue about his sinister past.

He told her he had been travelling for the last 12 years and owned two villas in Spain.

A few weeks into the relationship he came clean – though he insisted he had suffered a mental breakdown at the time of Pearl's murder.

Janet was distraught because, by then, she had "formed an attachment" with the killer – she was blinded by love.

Like most people, the devoted mother-of-six just wanted her own happy ending.

The 51-year-old from Nottingham was known as a hopeless romantic by her children. Her daughter, Amy, said: "Mum had been married four times but she was looking for that fairytale true love."

"She had struggled to find it."

Janet's other daughter, Hannah, said: "She had always wanted someone who loved her for her."

Worried about her mum, Amy sought help from the probation service, setting up a meeting between them, herself, her mum and Mellors.

Amy said: "I asked if he was going to do it again. The probation officer said: 'I don't think so.'"

# FREED...TO KILL AGAIN

Janet's fears were allayed.

It was a different story for her children, though, especially when Mellors displayed increasingly controlling behaviour.

Hannah said: "It felt like it wasn't Mum's house any more. It felt like it was his."

## **Control**

"He moved everything around, even things in the kitchen cupboards, so it was just the way he liked it."

Amy added: "He would control what food she bought, how much she spent on clothes and how often she went out with friends."

It was their first Christmas together that proved to be the final straw.

Hannah said: "We were playing a board game and either Mum or I won. He went mental because he had lost."

"Mum didn't tell me then but she knew that was it."

Janet told Mellors she didn't want to be in a relationship with him any more. She just wanted to be friends.

But he refused to accept it. He followed Janet in a terrifying stalking campaign, messaging her to let her know what he was doing.

She wanted nothing more to do with him and

# IN FRIDAY'S

# NEW CRIME SERIES

**LIAR:** Mellors initially told Janet that he'd been travelling for 12 years

even reported him to the probation service.

Still, he wouldn't stop. On January 29, 2018, Mellors drove to Janet's house and parked up. He sat in his car and waited while she slept after finishing her overnight shift at a supermarket.

Then, carrying a knife he had brought from home, he let himself into her home with his key and walked into the room Janet was asleep in.

He stabbed her once in the chest and again in the stomach.

## Blood

Janet desperately tried to flee. Her bedroom was smeared with her blood as she tried to fight off her attacker but there was no escape.

Mellors then dragged her downstairs and forced her to get into his car before driving away.

As he approached Nottingham city centre, Janet saw a traffic warden. Thinking it was her only chance, she flung open the door and, badly injured, jumped out of the moving car.

The traffic warden was frantically trying to stem the blood flow when Mellors drove at the pair at high speed.

Janet's helper was thrown 50 feet into the air, suffering horrifying back injuries as a result.

Janet was crushed between the car and a brick wall.

She died instantly. Her mangled corpse had to be identified using dental records.

Daughter Amy said: "We walked onto the street and there was a guy washing blood off the wall and the road into the drain."

"To see my mum's blood being washed away as if it was graffiti or dirt just broke me."

Just two days later Mellors was arrested for Janet's murder and the attempted murder of the traffic warden.

But, even after he was safely behind bars, the killer refused to allow Janet's family justice.

In February 2018 Simon Mellors was found dead in his cell at Strangeways prison in Manchester. He had hanged himself while awaiting trial.

Chris Scott says the probation service failed his wife by not telling police that Mellors had been stalking her.

He said: "If they had done something and

**PREVIOUS:** Mellors had stabbed Pearl Black to death and served time

informed the police...

"Had Mellors been arrested, my wife would still be alive."

Chris said his wife feared Mellors was going to kill her.

## Worry

"She knew it was coming," he revealed.

"I said to her, 'Look, you've got nothing to worry about. I'm here. I'm going to protect you. Nothing is going to happen'. This has hit me so hard. It has just ripped my life apart."

The families of Pearl and Janet both blame the original judge for not giving Mellors a longer sentence, the Parole Board for releasing him, and the probation service for not sending him back to prison sooner.

A Ministry of Justice spokesman said at the time: "This is a tragic case and our sincere condolences are with the victim's family and

friends. Serious further offences such as this are very rare but each one is taken very seriously and investigated fully."

"A full review into this case is under way and we will carefully consider the findings to make sure all lessons are learned."

A later report into the case found the probation service were at fault for failing to act on Janet's fears.

## Failings

The Ministry of Justice said it accepted the recommendations in the report and 16 more officers had been taken on at the Nottingham Probation Service in the wake of Janet's death.

A spokesman said: "There are now enough staff to ensure the service is staffed properly and can carry out its work following failings that were indicated by the review."

Despite that, both Janet's and Pearl's families are left asking the million dollar question: Why was the murderous Simon Mellors set free to kill again in the first place?

They're still waiting for an answer.

# DRUG GANGS BUILD TANKS!

**Mad Max style vehicles used in cartel wars**

**MAD AND BAD...**  
Just like the film

**DRUG gangs are making Mad Max-style TANKS to do battle with rivals and government forces.**

Mexico's resourceful drug cartels have been assembling ramshackle but effective versions of tanks from bits and pieces of metal and glass, new photos show.

Government authorities tweeted snapshots of a homemade tank they found while sweeping the countryside of San José de Chila, about a seven-hour drive west of Mexico City, in the state of Michoacan.

**By GRACE HOOPER**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

## Crude

A tweet by Mexico's National Guard stated: "#GuardiaNacional personnel located a van with handmade armour, allegedly used by a criminal group in the area."

It is believed to have belonged to the gang Los Viagras, which is run by a druglord nicknamed "El Gordo," or "the Fat One".

The gang is currently locked in a turf war with another Mexican cartel.

The drug gangs have given their homemade armoured vehicles nicknames – like the "Monster", "Batmobile", "Rhinoceros" and even "Popemobile".

Some of the crude tanks are tricked in *Mad Max* flicks fashion with battering rams, turrets and high-calibre weapons.

They are also covered with steel panels nearly an inch thick and travel at speeds up to 68mph while carrying 12 people – spewing oil slicks or nails behind them to thwart pursuers.

She told *Midweek Sport*: "Sex outdoors drives me wild! It's a real turn on knowing you might get caught."

"I've had sex in a load of places. I've done it on the beach, in the back of cars,

at a bus stop and even once on a train.

"Not in the toilet or anything, just literally on the seat in a carriage."

"The thrill is amazing and seems to make the sex feel so much better."

The glamour model also revealed she loves watching porn with a lover and is game for making a SEX TAPE and having a kinky ménage-a-trio.

"I'd love a threesome with two blokes!" she said.

# JUSTIN DUNN'S ROOM 101

**WHAT'S ANNOYING HIM THIS WEEK?**

**These deluded idiots think they know best**

## WE hear a lot these days about freedom of speech.

About what you're "allowed" to say... and what you are not... and who to.

It's a form of madness, really, because no one can ever stop people thinking how they think, or feeling how they feel, or being concerned about what they're concerned about. Not that that ever stops them, though.

The good thing is... it drives that blisteringly, twitching intolerant section of our society round the twist.

They really can't stand it when you do something so problematic as to disagree with them.

If there is a moon to howl at, they're right there. Pitchforks at hand. Fangs bared. Wild-eyed. Sphincters readily loose and leaking.

And we're not talking Twitter account rattles being tossed out of prams here.

We're talking civil disobedience, statue-felling, vandalism and, well, general c\*\*tishness on a grand scale.

### Threesomes

All because they can't win elections without it ever occurring to them why.

This nonsense is led entirely by people who have already decided what you can – or should, or will on their say-so – say.

Because they really think they know better – without even asking you.

Of course they do – mummy and daddy pay for their dreadlocks, their tattoos, their lost weekends in Crete, their threesomes and tedious tie-dye clothes.

And their occasional designer

babies and forgotten causes are something for the rest of us to mop up, not them.

They're about as original as the Acropolis in Athens – and about as patched up in fakery as that is, too.

But they crack on regardless. Of course they do.

At the weekend, the screaming lunatics from Extinction Whatever did manage to stop a few newspapers getting out of their printing presses.

This, apparently, was because the titles they targeted were not publishing the "right" kind of news.

Which means they weren't declaring on their front pages that everyone is going to die tomorrow unless we all turn off the lights immediately.

### Piercings

The lunatics don't appear to understand the nature of news, though.

News is about what happens. Not what some f\*\*king idiot with pink hair and piercings thinks it should be.

Bomb goes off? Yes, sadly, news.

Liverpool win the league for the first time in decades? News.

Weird bunch of people who bow unquestionably at the altar of a teenage stooge from Scandinavia?

Not news in the slightest – just propaganda.

Newspapers, including this one, live or die by the people who matter most – those who buy and read them.

If people choose not to buy our newspapers, we cheerfully let them pass by, because it's entirely up to them – as it absolutely should be.

But when some deluded idiot starts trying to tell you how to think, what to think, what to read, what not to read, ask yourself if they have freedom of speech in mind.

Trust me. They don't.

## Surfer dies after Great White bites

A SURFER has been killed by a great white shark at a beach supposedly protected by netting to keep the murderous fish out.

The horrific mauling happened off of Greenmount Beach on Australia's Gold Coast when the man, believed to be in his 60s, had his leg bitten off.

He was found floating face down in the water by another surfer who dragged him to shore.

It the first fatal attack in the region for decades.

Lifeguards evacuated other swimmers from the water and tried to help the man before paramedics arrived.

Emergency crews rushed to the popular tourist spot but the man could not be saved.

Beaches north and south of Greenmount were immediately cleared and the police helicopter is searching for the shark.

It is almost 70 years since when Peter Gerard Spronk, the last shark fatality, was killed by a Great White in 1958.

A MAN in his 30s who raped a naked sunbather in broad daylight on a popular beach is being hunted by cops.

The suspect, described as a man of North African origin, was still nearby when other beachgoers were alerted by the woman's screams.

A witness said: "We heard cries and screams. The woman said she had been raped."

"She told us she went to the beach to swim and sunbathe and that while she was there, the suspect approached her, pushed her into a stony area and raped her."

The victim who was not named but, was aged 52, was taken to hospital.

The suspect also reportedly stole her purse and mobile phone.

An investigation is ongoing at Bolnuevo Beach in Murcia, Spain.

# TRUMP LOVES TINKLE!

**DONALD Trump allegedly watched "with delight" a "golden showers" performance at a Las Vegas strip club, the US president's former lawyer claims.**

In excerpts of Michael Cohen's *Disloyal: A Memoir*, Cohen calls himself "one of Trump's bad guys".

In the memoir – obtained by *The Washington Post* – Cohen described visiting a Las Vegas club called The Act with Mr Trump, Russian oligarch Aras Agalarov and his son Emin in 2013.

Cohen, now a convicted criminal, claimed the group watched a strip show that involved one performer simulating

## Ex-aide describes President's 'delight' at golden shower act

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

urinating on another performer.

Mr Trump reacted to the show with "disbelief and delight", Cohen claims.

The Act, which has since shut down amid legal problems, had

regular performances showing young women urinating on other people, according to the book.

The Agalarovs were also reportedly with Mr Trump on the night of the alleged "golden showers" incident following the 2013 Miss Universe pageant in Moscow.

A tape of the "golden showers" incident fell into the hands of the Russian government, according to the so-called "Steele dossier", which was compiled by British former MI6 agent Christopher Steele.

The unverified dossier, leaked in January 2017, claimed the Russians had "kompromat" – or compromising info – against Mr Trump that could be used as blackmail.

### Prostitutes

It included the alleged video of the "golden showers" incident at the Ritz-Carlton Hotel in Moscow.

Mr Trump has long denied the incident took place.

Aras Agalarov also denied that the incident took place during a 2019 interview with Russian

publication *The Bell*.

The billionaire oligarch said he was with Mr Trump until 2am, and then again the following morning.

"When I hear all these silly things about recordings, prostitutes, I fail to understand how a man aged almost 70 could do it all," Mr Agalarov said.

"He spent all first day with us, then allegedly invited prostitutes in his room, then early next morning he went to see businessmen, then sat with us till 2am, attended the competition and then flew out next day. It is some madman's delirium to say this," he added.

Cohen's book also describes Mr Trump as "a cheat, a liar, a fraud, a bully, a racist, a predator, a con man."

Cohen

pleaded guilty to campaign finance violations and other crimes while working for Mr Trump.

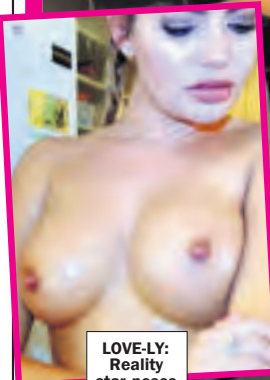

The shamed attorney was released from jail to serve out the rest of his sentence from his New York City home due to the Covid-19 pandemic.

In the book, Cohen said he was the "star witness" in a hush-money scheme and the President was just as guilty.

The former fixer said his book was a "fundamental piece of evidence" to Mr Trump's guilt.

"You now have all the information you need to decide for yourself in November," Cohen concluded in the 432-page tell-all.

In a statement, White House Press Secretary Kayleigh McEnany said: "Michael Cohen is a disgraced felon and disbarred lawyer, who lied to Congress. He has lost all credibility and it's unsurprising to see his latest attempt to profit off of lies."

# THE WORLD FAMOUS AGONY Page

Dear Tess,

MY mum's best mate is a still-tasty blonde of 39. I'm 18 and I've fancied her for ages.

She flirted with me a lot, but on my 18th birthday the flirting ended and the shagging began.

About a month before my birthday I was giving her a lift home when she said I could have a special present on my big day – her!

She then gave me a blowjob and said shagging her would be even better. On my birthday I went round to her house when her hubby was at work and she was wearing special stockings.

Her massive tits looked so good and we went to her bedroom. She sucked me off and after I'd exploded in her mouth she told me to tongue her, then to f\*\*k her in both holes.

I've shagged her often since then. Shagging birds my own age just isn't the same. What should I do?

GC, Lincolnshire

Tess says...

CARRY on screwing... but don't get caught!

Dear Tess,

I'M a 55-year-old single bloke and I've got a soft spot for a busty redhead babe who works in the same office as me.

Well, when I say soft spot I actually mean a rock-hard one!

She's almost half my age, but we chat at work all the time and she smiles and laughs at all my jokes, so I genuinely think I've got a chance with her.

I'd really love to take her out for a romantic meal and then squirt my hot spunk all over her massive tits.

Obviously, I don't mean I'd do it in the restaurant.

No, I'd take her back home and make sure my mum was tucked up in bed before we got down to it on the living room floor.

I reckon she'd be well-chuffed with my cock, although when she sees all four inches of it in its rampant state it might just scare her off a bit.

Should I go for it and ask her out?

NP, Sussex

Tess says...

YES... but don't be too surprised if she says 'no'.

## Lack of sex caused me to cheat with wife's pal

Dear Tess,

SINCE my wife had our first baby, I've been going really short of sex.

The other night a friend of hers called round to visit.

But after an hour or so the missus said she was tired and went off to bed, leaving me to entertain her pal.

Well I wasn't too put out because her mate just happens to be a right cracker with a pretty face and gorgeous curves.

So, given her looks, it's no surprise that I ended up doing the unforgivable.

I put my hand on her knee and was soon tracing a path up her short skirt.

And to my amazement I soon

found that she was not wearing knickers.

Having got the green light, I slipped an exploratory two fingers into her moist minge.

I worked them in and out until she came with a delightful gasp.

She even let me have a good old suck on her huge nipples while I was finger-banging her.

Afterwards I came to my senses and felt mortified and really worried that she might tell the missus.

I can't get it out of my mind that I cheated on my wife.

JP, east Midlands

Tess says...

YOU had a lapse. Talk to your wife about your needs.

# I can't get enough of sister's horny mate

Dear Tess,

**I'M a 22-year-old single fella and for the past three months I've been f\*\*king the arse off my sister's best mate.**

She's 19 and I've never known anyone so horny and insatiable.

We first had it off one night when she and my sis were out together. I was in this pub with my mates when the two girls came in.

At first I must admit I was pissed off, as it was embarrassing to have my kid sister there and I thought she would cramp my style.

## Hard-on

But she copped off with a young guy and that left her mate on her own, so I grabbed her for a chat.

The funny thing is, I'd never looked at her properly before but as we made small talk she pressed her body against mine and I couldn't help but get a hard-on.

Then she whispered in my ear that she could feel my stiff cock against her and that she really fancied me.

We hatched a quick plan, leaving the room at different times and meeting up in the women's toilets.

The loo was empty, so we bolted one of the cubicle doors and I wasted no time fondling her lovely breasts.

She tugged her top down to reveal her boobs and I began to suck on her nipples.

As I slobbered away she quickly unzipped me, whipped out my stiff manhood and began wanking me off.

Then I reached up her skirt, tugged down her panties and thrust into her as she stood with one foot on the toilet bowl.

I was so worked up that after a couple of pushes I grunted as I shot my load deep into her.

But she wasn't finished and she sat down on the loo, parted her thighs wide and told me to lick her chuff.

I did as I was told and after about

five minutes she grabbed my head as she climaxed too.

I've lost count of how many times we've shagged since then and she can't get enough of my cock.

She particularly likes to nosh on my erect dick and loves it when I shoot my hot spunk in her mouth.

Nearly every time she gulps it down with great relish.

I think I'm falling in love with her, but she says she's too young to settle down and she still goes out on the town with my sister.

This makes me jealous.

What can I do?

DF, Lancs

Tess says...

CHILL. Enjoy what you've got.

## Straight babes love lusty lesbo licking!

Dear Tess,

I'm a lesbian and my girlfriend and I share a house with two beautiful straight girls.

Though they often taken the piss out of us, on many a drunken night they've asked about what it's like to sleep with a woman.

One night we came home to find our housemates lying asleep on our bed in their bras and knickers.

It looked like they had been trying to experiment but had chickened out. So we decided they should finally experience some proper lesbo fun.

We took off their underwear and then tied them up with silk scarves.

## Sopping

When they woke up they were startled, but then they smiled and encouraged us.

I tongued the sopping pussy of one of the girls while my girlfriend went down on the other one.

Then I got my two favourite dildos and eased them up the wet snatches of the girls.

We untied them and started kissing each other's boobs and then me and my girlfriend had our fannies licked by them.

After that, we put on our strap-on dildos and took them in both holes.

Do you think we could make it a regular foursome with them?

TW, Brighton

Tess says...

NOT so fast. Let them decide what happens next.

Dear Tess,

RECENTLY me and the missus have taken to stripping off and lounging about the house stark naked.

One night last week we'd had our tea and were sat on the sofa watching *Coronation Street* when she reached down and took hold of my knob.

She started massaging it and pretty soon I was rock-hard and gagging for some action.

So she leaned over and took it in her mouth and sucked me off.

I reached round and fingered her tight bumhole, which got her squirming about and she gobbled me even harder.

I was right on the verge of unleashing my load into her warm and hungry mouth when suddenly the front door opened and our son and his new girlfriend walked in on us!

We had to stop and quickly pull on some clothes and apologise to them as they stood there in shock.

But all the while my balls were aching like nobody's business!

How can we avoid any more embarrassing moments like this in future, without giving up our naturist lifestyle which we love so much?

BN, west Yorkshire

Tess says...

LOCK the front door, you silly sod!

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down On Abby* this is your lucky day. Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

33-year-old Diana is his all-time fave *Sport* babe.

The 41-year-old added: "I can't believe how long it's been since you printed a photo of sexy Diana."

"I check the paper every week in the hope of seeing her big breasts splashed across the page – help a guy out!"

## JEANA BROCK

**SALESMAN** Gareth Kirkwood only has his eyes on one girl, glamour babe Jeana Brock.

Gareth, 26, from Brentwood, Essex, says 29-year-old Jeana, from Dover, is his perfect match and won't settle for anyone else.

He said: "I've been getting the *Sport* for a few years now and there's no girl like Jeana – she's just an absolute worldie."

"In fact, I don't reckon there's a girl in the world who is as good as her."

"Her 34E knockers are sensational!"

## Gloves are off as Blues boss hunts keeper

By JOHN ANTHONY

CHELSEA are launching one last push to sign a new goalkeeper before the season kicks off.

Boss Frank Lampard has been the busiest manager around during the current window with FIVE big buys. Kai Havertz, Hakim Ziyech, Timo Werner, Ben Chilwell and Thiago Silva will all be wearing the blue shirt next term.

But that £200m-plus spend hasn't included a key position with Kepa Arrizabalaga still the No1 at Stamford Bridge. That's something that the manager is looking to change — and fast.

He has drawn up a shortlist of goalkeepers who are available for a reasonable price.

The likes of Jan Oblak is out of the running with Atletico Madrid sticking a £90m price tag on their classy keeper.

So Lamps may be looking a lot closer to home with Manchester United No3 Sergio Romero the latest name in the frame.

He is likely to leave Old Trafford after spending a couple of seasons on the bench as back-up to David De Gea.

Romero has been happy to stay at United because he was able to play in plenty of cup matches each season.

The 33-year-old moved to Manchester from Sampdoria in 2015 and has clocked up 61 outings for the Reds despite being first choice only for a brief time under Louis Van Gaal.

Boss Ole Gunnar Solskjaer now has

HUNT: Frank Lampard

Dean Henderson back from a successful loan spell at Sheffield United that saw him break into the England picture.

He will push De Gea all the way for a start and is a certainty for cup games ahead of Romero.

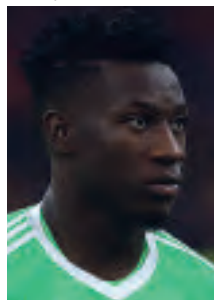

Aston Villa are also in the hunt for the Argie who has 96 caps for his country.

Romero is coming into the final year of his contract so a fee of around £5m would be more than enough to get the deal done.

The problem for Villa is the weekly wage of £70,000 which is would make him the highest paid player at the club ahead of Jack Grealish.

That pay packet would be no problem for Chelsea who are clearly in the driving seat.

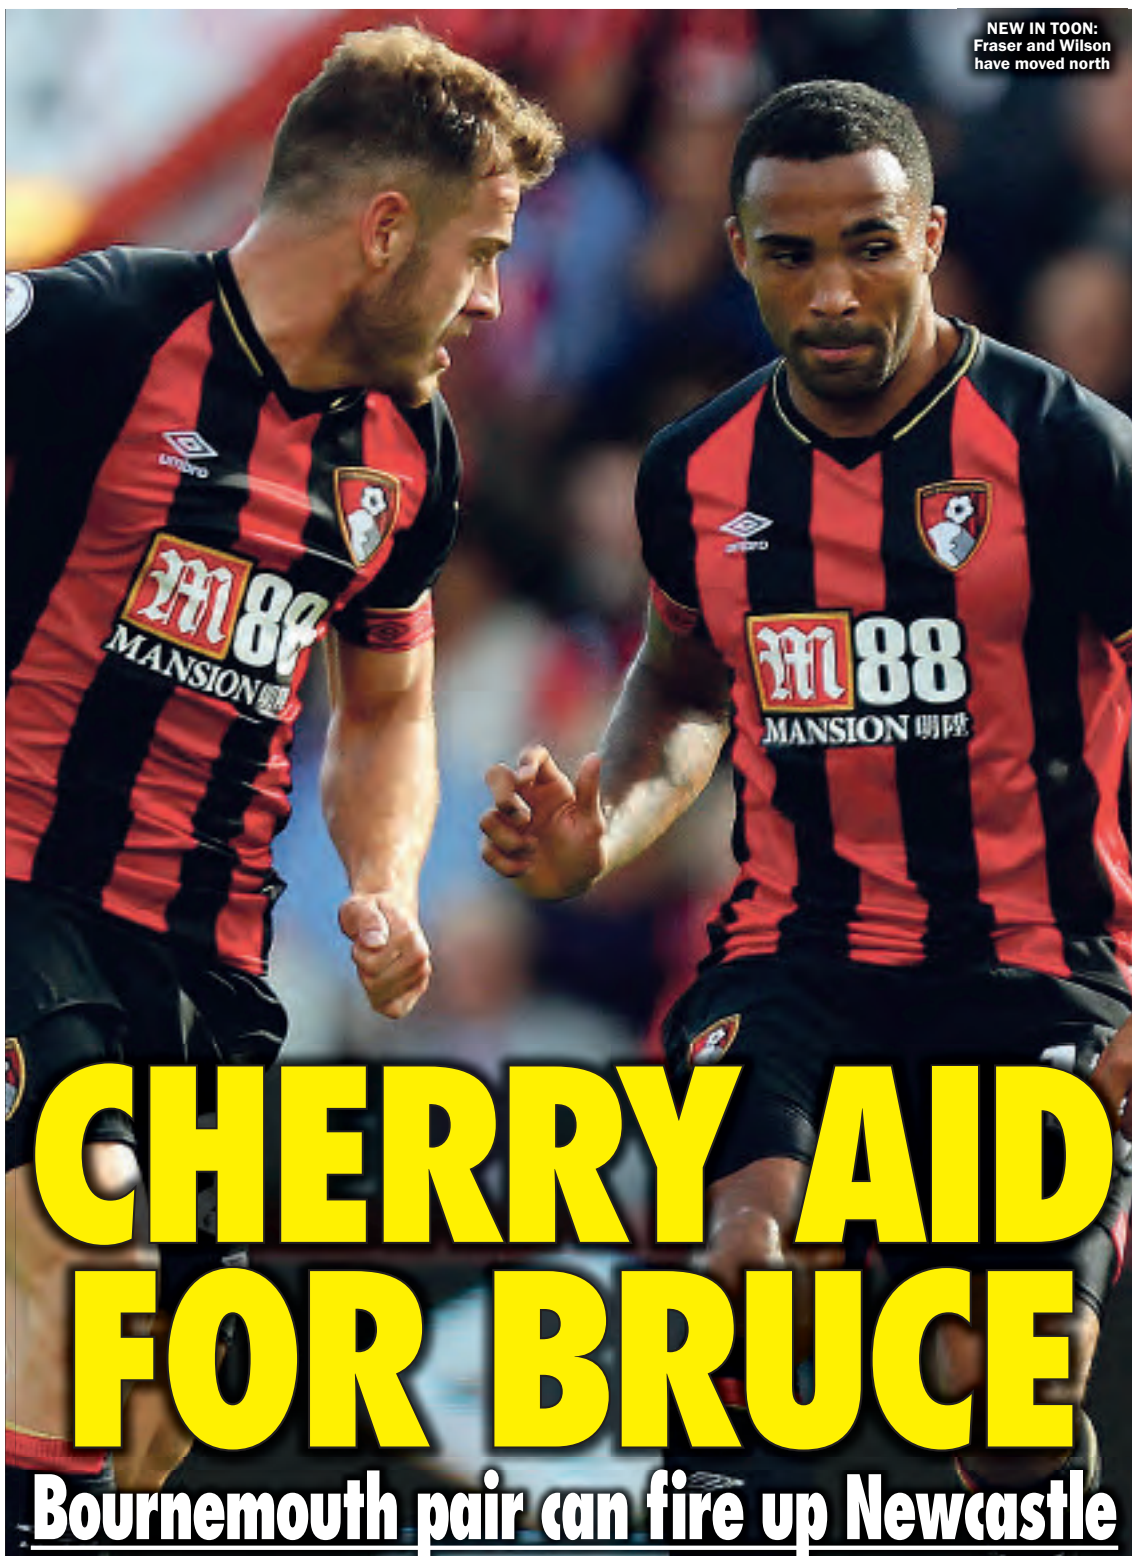

Lampard is also looking at Ajax No1 Andre Onana but may prefer an experienced keeper with Premier League experience.

POSSIBLE: Onana

**NEW IN TOON:**  
Fraser and Wilson  
have moved north

## CHERRY AID FOR BRUCE

### Bournemouth pair can fire up Newcastle

**RYAN Fraser says he's "buzzing" after signing for Newcastle.**

He is the second player to swap Bournemouth for the Toon this week after hitman Callum Wilson made the move north.

Newcastle boss Steve Bruce will be delighted to get both players for just £20m, with Fraser coming in on a free after his contract expired.

The Scotland international has penned a five-year deal with the 26-year-old having been with the Cherries since their days in League One.

Now he's looking forward to turning out in front of the Toon Army when fans are al-

lowed back into St James's Park.

Fraser said: "I came down to see the place the other day and it was all just good things — the manager, the place, the fans, the messages I've been getting."

"It was just a no-brainer, really, to play in such a big stadium with such passionate fans and being back up in the north again is big as well."

"So I'm really looking forward to it and I just can't wait to show everyone what I can do and help the team and help us get back to where we belong."

Bruce thinks Fraser and

Wilson can repeat their potent form showed for Bournemouth. Injuries to both of them proved a major factor in the Cherries going down last season.

The Toon gaffer said: "I'm delighted to bring Ryan to Newcastle United. We have held off big competition to get his signature and that says a lot about what this club has to offer."

#### Chemistry

"His ability and his contributions on the pitch speak for themselves and I'm looking forward to seeing him getting to work in a Newcastle shirt."

"He has wonderful chemistry on the pitch with Callum

Wilson, which excites me, and I hope it excites our supporters ahead of the new season."

Wilson is delighted to have a familiar face in the dressing room. He said: "He was a great partner, who I played with at Bournemouth."

"We had a great communication on the pitch and I think we ended up combining for 12 goals a couple of seasons ago."

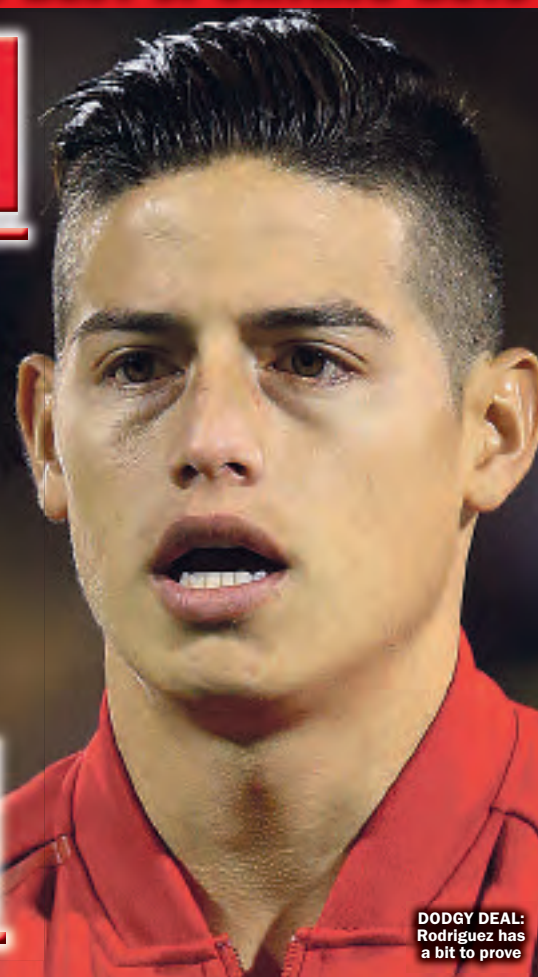

"I'm looking forward to playing with him, adding to the squad that's already here."

"There's already great quality here and that swayed my decision to sign. I feel like just being a part of that on the journey is going in the right direction."

# Hot Rod signing leaves me cold

**DODGY DEAL:** Rodriguez has a bit to prove

**The Premier League returns this weekend and Evertonians everywhere seem overjoyed with the signing of James Rodriguez.**

Carlo Ancelotti has I am sure been a vital component in the deal – this is the third time the pair have worked together – but I have followed the story closely and take my word for it there were no other clubs, seemingly, in for the Colombian.

This is one Evertonian who is sceptical to say the least.

I am sure he will start well, and Match of the Day will pick up on one or two touches of class and suggest he is a great acquisition to the league but let's revisit this thread in January.

## Baulk

Everton travel to Spurs on Sunday and the hosts are now 5/4 with Paddy Power – no bigger than 6/4 with Skybet – to have Gareth Bale back in their ranks by the end of the transfer window in early October.

It makes sense for the Welsh skipper to return to the Premier League on loan but will Spurs and Daniel Levy balk at having to play over £300,000 per week as part of his wages with Real Madrid finding the other half?

The silence coming out of Anfield with regard to transfers is deafening although Gini

Wijnaldum is 1/5 to join Barcelona with Skybet and Bayern's Spanish international midfielder Thiago Alcantara 4/6 to join Jurgen Klopp.

Thiago has not publicly said he wants to leave the Champions League winners, but his house is up for

sale and he is reported to have said adios to his teammates – although it could have been auf weidersehen.

I was fortunate enough to do a podcast with Peter Reid – assistant manager of Wigan – recently and he was suggesting that, at the time, he felt Fulham's sign-

ing of Antonee Robinson from the Latics for a cut-price £1.9m was an absolute bargain.

The left back was on the verge of a £6m move to Milan in January and David Moyes – who would know the 23-year-old from his time at Everton's academy – was certainly interested in the powerful left back who was born in Milton Keynes but is a United States international.

Fulham are 9/2 with Paddy Power to be the top promoted club in the Premier League this season with WBA 7/2 and Leeds odds on favourites at 1/2 with William Hill.

## Expectations

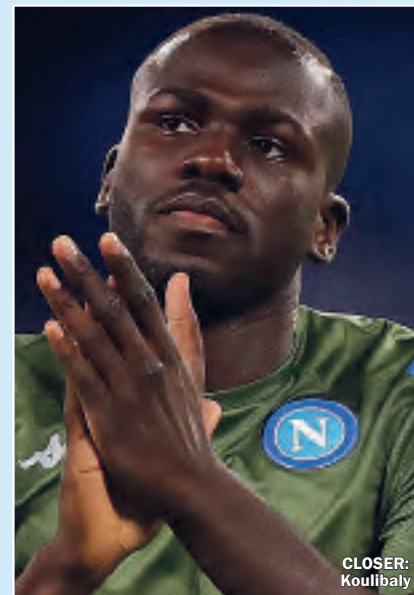

Fulham boss Scott Parker is 10/1 with Paddies to be the first manager in the division to lose his job this term behind David Moyes 6/1 with Unibet and Roy Hodgson 11/2 with Skybet.

If you are given big money it comes with higher expectations and Allan Saint Maximin apart I am not convinced about Steve Bruce's signings in recent windows and am not a fan of recent acquisitions Ryan Fraser or Callum Wilson for that matter.

Bruce is 12/1 at Skybet to be the first manager to lose/leave his post and I think that might just be too big a price. Their game at West Ham at the weekend is fascinating with both sets of supporters desperate for a positive result.

**BIG BARGAIN:** Antonee Robinson has a bright future

**CLOSER:** Koulibaly

# CITY HOT FOR KOUL IF PRICE IS RIGHT

By ANDY MILLOM

KALIDOU Koulibaly has moved a step closer to joining Manchester City after his agent reportedly held talks with the club.

The Italian papers say the Napoli stopper is on the verge of moving to the Premier League after his fee was dropped to around the £70m mark.

That's at least £20m less than the light blues were demanding for their prized asset before lockdown. Even that may be too much for Pep Guardiola who wants to pay £50m for the classy centre-back.

Napoli chairman Aurelio De Laurentis is trying to entice Paris St Germain into a bidding war. The French giants need a replacement for Thiago Silva who moved to Chelsea after their Champions League final defeat.

They would be happy to shell out what the Italians are asking for – so Napoli don't want to give City an easy ride.

But Pep would like to have the 29-year-old at the heart of his defence after conceding goals cost him the title last season.

## Wide

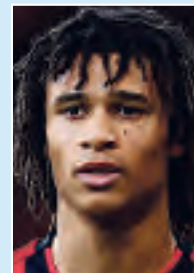

He knows he must plug the gaps to be successful at home and in Europe.

Nathan Ake has arrived from Bournemouth but the big Dutchman may be used as a holding midfielder or in wide defensive areas.

That would be a change for him – but it's one he's willing to accept.

Ake said: "I have been told to focus on several positions at the back, but that is fine with me. I am going for it. I have grown up in the Premier League in a brilliant way."

"I have not signed for City thinking I can prove all the critics wrong. I have already proved to

**VERSATILE:** Nathan Ake

myself that I have the ability to play at top level – and I love a challenge.

"I showed that when I was a kid playing in my hometown in the Hague and I moved to Rotterdam to join Feyenoord.

"I was desperate to keep Bournemouth up – and we failed. We allowed too many goals against us and I was a defender in the team."

"Yet, apparently people judged my individual performances as alright. Maybe that is ability and experience, to make sure that you keep your own level up all the time."

## Liverpool swoop as Wijnaldum exits

**LIVERPOOL are set to finally move for Thiago Alcantara with Gini Wijnaldum heading to Barcelona.**

The Dutch midfielder is on the verge of moving to the Nou Camp in a £15m deal.

Ronald Koeman wants to sign a player he knows well

from the Dutch national side and is getting the 29-year-old on the cheap because he's in the final year of his contract.

Liverpool have been slow out of the blocks when it comes to transfers but boss Jurgen Klopp will swoop for Bayern playmaker Thi-

ago once the Wijnaldum deal is done.

He is happy with his mid-field options with Naby Keita set for more game time and youngster Curtis Jones having established himself in the first-team squad.

They can operate alongside the likes of Fabinho, Jordan Henderson, James

Milner and Alex Oxlade Chamberlain.

But Klopp is looking for another experienced player and sees Thiago as the ideal man.

He sits deep so would be more in the Fabinho mode but is an excellent passer which makes his £25m transfer price acceptable to the Anfield giants.
